

Auto-Tithe Program

The 'Auto-Tithe' program offered by St. Luke United Methodist Church offers members and constituents the convenience of automatic payment of their tithe to the church.

Participants may choose to have their tithe deducted once per month, on the 15th or the 30th of the month, or they may select to have one-half of their tithe deducted on each of those dates. (Example – a member who contributes \$400 per month may have that amount deducted on either the 15th or the 30th, or they may choose to have \$200 deducted on the 15th and the 30th.)

To participate in this program, complete an "Auto-Tithe Authorization Form", attach a voided check and send them to the Church Business Administrator.

The authorization stays in effect until revoked by either the participant or St. Luke.

To change the amount of your tithe or to stop the automatic deduction, contact the Church Business Administrator.

Questions should be addressed to the Church Business Administrator.

Auto-Tithe Authorization

The St. Luke United Methodist Church Auto-Tithe program has been established for the convenience of our members. This form authorizes St. Luke to deduct the amount you specify from your banking account once or twice per month, depending on your preference. This saves you from having to write checks. Questions or concerns may be addressed to the Church Business Administrator.

I hereby authorize St. Luke United Methodist Church to debit my bank account for payment of my monthly tithe. This authorization will remain in effect until revoked by me or St. Luke United Methodist Church.
